

Notice

The Suginami City Public Contract Ordinance applies to your job.

If you think your wages are lower than the minimum limit of labor wages stated below, you can submit a claim to Suginami City or the contractor.

(Under the ordinance, the minimum wage is known as the minimum limit of labor wages.)

Workers covered

A person employed by a contractor, etc., who is engaged exclusively in work related to a public contract.

(Includes employees of subcontractors and independent carpenters)

The minimum limit of labor wages

<For building construction>

You can obtain the unit price per hour by multiplying the public contract design labor unit price by 90 percent.

1,637 yen per hour for apprentice, handyman, etc.

<For outsourcing and designated management agreements:>

1,500 yen per hour

< Submitting claims to >

- **Suginami City**
03—5307—0612
- **Original contractor / Employer**
— —

※ You will not experience any disadvantageous treatment as a result of submitting a claim.

※ In cases involving employees of subcontractors and the like, if the wages paid are below the minimum limit of labor wages and are not corrected after a claim is processed, it is stipulated that the contractor(s) shall jointly and severally pay the appropriate wages.

You can obtain the unit price per hour by multiplying the public contract design labor unit price by 90 percent.
